NO-SHOW POLICY:

It is the goal of Paul Bunyan Transit that all scheduled rides be taken or cancelled in a reasonable amount of time.

As a courtesy to other riders, make all scheduled rides, or be sure to call and cancel 30 minutes before your pick-up time so another passenger can utilize that ride.

Riders who do not get on the bus within 3 minutes of the driver arriving will be counted as a NO-SHOW. Rides cancelled less than 30 minutes before the scheduled pick time will be counted as a NO-SHOW.

Passengers who have 3 no-shows in a 30-day period will result in a review of their ridership following Paul Bunyan Transit's No-Show policy.

If the passenger is in violation of the policy, they will be subject to the progressive no show suspension policy.

Passengers cannot pay the bus fare to avoid a NO-SHOW.

Missed rides or late cancellations that are out of a passengers control, or the bus arriving out of the 15-minute pick-up window will not be charged a NO-SHOW.

Handicap Accessible Buses:

Paul Bunyan Transit buses are lift-equipped and drivers are trained to assist passengers who need lift service. When calling and scheduling for rides, please let dispatch know if the lift is needed for a walker, wheel-chair or other mobility device.
